Thank you for signing up. We are excited to have you be a part of the Tatmeen onboarding event!

We, the Ministry of Health and Prevention, along with our partner, EVOTEQ, are committed to providing you with the support required to ensure successful onboarding to the Tatmeen program. This event brings together license agents, MAH and 3PLs, as the Tatmeen system is now ready to onboard both stakeholders. We are proud of this important milestone as it brings us one step closer to an end-to-end visible supply chain for pharmaceuticals in the UAE. We have an extensive agenda and speakers lined up for you! Our main goal is to highlight the latest program updates, introduce the onboarding steps, and guide you on what's next. Attending this event will also give you the opportunity to communicate with the Tatmeen team and raise any queries you may have.
